PhD COURSE: «Title\_of\_course»  
«Dato»

---

I hereby confirm that

«Fornavn» «Efternavn»  
«Universitet»

has participated in the above-mentioned PhD course.

The student has been granted 5 ECTS points for the participation in the course. The course is provided by Department of Food Science, Aarhus University.

*Course description:* The course equips the students with tools which make them able to explain interactions among muscle development, growth and metabolism in relation with production of meat of superior quality and the goal is that the PhD students are able to pin point problems with meat quality and suggest solutions in the production chain.

On behalf of The Graduate School of Science and Technology (GSST).
