

INSTRUCTIONS FOR THE ASSEMBLY POINT LEADER

- When alerted – check the cause and ensure that evacuation has started.
- Put on the orange vest (and ensure that the yellow vest has been activated).
- Go directly to the assembly point.
- Do not participate in any kind of rescue work.
- Recieve evacuees at the assembly point.
- Coordinate with the other assembly point leaders (orange vests).
- Recieve reports from the arriving evacuation leaders (yellow vests).
- Contact the arriving Police or Fire Brigade and deliver your evacuation status.
- Ensure that all evacuees get as much information as possible.
